More Than A Smile

**GOOD NEWS - LEVEL 1
RESTRICTIONS NOW IN PLACE**

- *Following the latest advice from the government and health authorities, we have now moved to Level 1 restrictions effective from 8 May 2020.*
- *This means we can now offer all services to our patients.*
- *There are additional guidelines in place to keep our patients, team and community at large safe.*
- *Patients in our practice are only treated if they are considered low risk with no epidemiological and/or clinical risk factors.*
- *We are treating all patients under standard precautions. In addition to this we are also using a pre-procedural mouth rinse. All patients and accompanying persons must wash their hands on arrival. Social distancing is still being observed in the waiting area and, no high touch items are being used unless they can be easily cleaned.*
- *We ask that all patients attend on their own, or if a guardian is required to limit this to one person.*
- *Your health and safety is of the utmost importance to us and should you choose not to attend our office, we are offering Virtual Consultations for some procedures.*
- *We ask that when visiting our practice, please observe the health and safety information displayed and follow the directions of practice staff.*
- *If you have any questions or concerns or an urgent need prior to your appointment, please contact us via phone or email.*
- *We look forward to seeing you very soon.*
